Using this document

This document provides details of the following:

- **New syllabuses**
Published each September, these syllabuses are new or have been significantly revised and have new syllabus codes.
- **Revised syllabuses**
These syllabuses, published in September each year have been through our review process and have been significantly revised.
- **Withdrawn syllabuses**
Following consultation, these syllabuses have been withdrawn.
- **Changes to availability**
Availability changes include Administrative Zone restrictions or inclusions, or changes to the examination years (or series).

All information contained in this document relates to syllabuses taken only in Mauritius. You should also refer to the main Syllabus Changes document for changes to all other syllabuses.

Please note: Cambridge International syllabuses for 2022 examinations were published at the end of 2019 prior to the change in the school calendar in Mauritius.

Therefore the year of examination on the front cover of syllabus documents will still state November even where it has been agreed that the syllabus will be available for examination in June 2022 for candidates from Mauritius.

The information provided below with regard to the first year of examination is correct as per the published syllabus document.
